Telethon raises more than \$3000 in the county

Although donations were down at the Wilberforce telephone station of The Stars Telethon for Cerebral Palsy, area donations increased over-all with a new telephone headquarters in Minden.

In Wilberforce, donors pledged a total of \$1,544.50 during the telethon and an additional \$110 in advance pledges had been received before the lines were opened Saturday evening. In Minden \$1,537.55 was received for the cause.

Last year \$2,459.30 was raised through local efforts but with two headquarters the total increased by \$832.75 this year.

In Wilberforce phones were manned by approximately 20 volunteers. Additional help was received from the Kinnsmen club members who took charge from 11 p.m. until 6 a.m. Rob Young was in charge of the phones in Minden and the local Kinnette Club also helped with the telephone duties.

Money raised from Minden's efforts will be used through the Barrie region, while money donated through the Wilberforce lines will be used in Peterborough.

Donations were not only received from residents in the two communities but from many areas outside the county.

New chairman appointed for Bicroft District

William Howe has been appointed chairman of the Improvement District of Bicroft.

The vacancy on the board was created when chairman Meredith Amm died unexpectedly last November.

Howe, 47, has served on the board since 1977 and has acted as vice-chairman since 1978. An employee of the Ministry of Transportation and Communications, he has lived in the area since June, 1970.

Having a past history on the board, Howe says the only new aspect of his job will be his involvement on county council.

Howe is married and has two children at home.

More than 20 volunteers manned the phones in Wilberforce throughout the Weekend of the Stars telethon Saturday and Sunday. At noon Sunday, Adele Barnes, Pat Barnes, Edith Daniels and Victoria Agnew

were busy keeping track of pledges from local residents. Funds go to support Cerebral Palsy Association projects, such as Participation House in Peterborough.

Minden queries reductions

Assessment appeals cut tax revenues, official says percentage acceptable, assistance deemed unlikely

Almost \$13,000 in taxes have been lost in assessment court decisions in Anson, Hindon and Minden but provincial assistance is unlikely because the loss is below the percentage the municipality was told to expect when it implemented Section 86 of The Assessment Act.

Ivor James and Stuart McElrae, of the regional assessment office, had been asked by council to attend the regular council meeting last Wednesday to explain the loss in revenue for 1981.

James noted that when the previous council agreed to change to Section 86 of The Assessment Act, which is designed to equalize assessment within property classes, it was explained that loss of one to one and a half percentage points of assessment could be expected. James said the municipality had been fortunate that it had

only lost approximately .98 per cent of its assessment due to assessment court appeals.

When the equalization program was implemented, the municipality's total taxable assessment was \$2,693,665. The actual loss in assessment dollars, as a result of court decisions in favour of landowners, was \$26,501. The loss in assessment reflects a real loss of \$12,783 in taxes for 1981.

Although council asked for some assistance from the provincial government to cover the loss, James said it was

unlikely the minister of revenue would grant any aid since the loss was below the loss percentage expected. During the presentations made to council before it adopted the Section 86 policy, James said the commission recommended including a buffer in the budget to cover losses. Clerk Elinor Burke told council some buffer had been provided but not enough to cover the actual appeal losses.

Council suggested that James submit a report on the assessment losses to the

minister in hopes he might provide some aid.

"I'll pass it on, but I wouldn't hold my breath," James told council. "Anson, Hindon and Minden hasn't come off too badly."

James said the situation was different in Dysart et al because the municipality had lost almost two per cent of its tax base in one appeal decision.

"Don't compare yourself to Dysart. They got hit. They really got hit right down the line," James said.

Blaze destroys businesses

Freezing temperatures hamper Glamorgan firemen

by SUE COOPER
Staff Reporter

A Gooderham family not only lost their home in a blaze but two businesses that provided them with income were also lost Sunday evening.

The home of Eddie and Karen Hunter as well as the Monmouth Insurance Agency and The Hairloom were housed in the structure that was completely destroyed.

Firefighters thought they would be able to extinguish the flames easily but overlapping roofs and frigid temperatures made saving the structure impossible, fire chief Howard Hillis said Tuesday.

"When we arrived I thought we could save it," Hillis said.

Eddie Hunter, who serves as a fireman for Glamorgan township, was awakened Sunday evening after he dozed off on a couch in the living room. The room was filled with smoke, but Hunter

was able to awaken his wife and baby who had already gone to bed. As soon as the family was safe, Hunter ensured the house was tightly sealed so no oxygen could feed the fire, Hillis said.

Although the fire had not spread from the attic where it is assumed to have started near an insulated chimney, Hillis said the firefighters could not extinguish it because the flames could not be reached with water. An addition had been made to the house and a previous roof had not been overlapped with a new one.

Firefighters broke through three gable ends but were still unable to reach the fire. Hillis said he considered sending firemen up on the roof to try to break through to the fire but since it had been burning for an estimated hour and 20 minutes it was ruled out as too dangerous.

The roof problems weren't the only dilemma for the firefighters. The truck mounted

water tank froze in the frigid weather and during a further attempt to take water from a nearby lake the pumping unit froze. Firefighters were also kept from entering the structure in the early minutes of the fire as their air packs were functioning poorly in the cold air.

When no alternatives were left the firefighters opened the door to the structure and "it blew", Hillis said. "The ceiling came down around our ears." No firemen were injured.

The men battled the blaze for two and three-quarter hours, but the home and businesses were completely

Cont'd, page 2

Stedman's buys up Tartan

Stedman's department stores in Haliburton and Minden have become the exclusive outlet for the Haliburton Tartan.

The Chamber of Commerce announced this week that it's entire inventory of tartan has been turned over to store owner Vince Connaughan.

The agreement between Connaughan and the Chamber's board of directors will allow the Chamber to meet its commitment to Haliburton County council, which financed the purchase of the current stock of tartan.

In a press release announcing the move, the

Chamber noted that it could not meet its commitment to repay the \$3000 loan from the county this year, since the material had not sold as well as had been expected.

Chamber president Rhonda Elstone said in the release that "the present arrangement certainly solves the problem for now, but we still are faced with what to do about a new stock of Tartan once the balance of this stock is gone."

"I don't think we can expect Stedman's to carry that inventory cost over an additional three years."

Cont'd, page 2

Study under fire

Minden council grills consultants on reasons why area was left out

by SUE COOPER
Staff Reporter

Publicly condemning the Peterborough Haliburton Tourism Zone Study, Anson, Hindon and Minden council has demanded that consultants provide a list of contacts made in the area during the study. At the same time, council asked the Ministry of Industry and Tourism to insert additional information concerning development in the Minden area.

At its regular meeting last Wednesday council grills consultants Glen Pinkham and Mary Burns, of Laventhol and Horwath Management Consultants, and Barry Dobson of the Ministry of Industry and Tourism. Council members, who have been displeased with the report since its release last autumn, were concerned developers would by-pass Minden in favour of the better tourism potential suggested for Haliburton village or Dorset.

"Do you believe an investor would come up to Minden after seeing that report?" councillor Ed Pergolas asked the trio. Both Dobson and Pinkham explained the study was designed to help the Ministry of Industry and Tourism staff outline tourism potential to developers but it was not designed to say there could be no development in the Minden area.

"Are you trying to say that study helps Minden?" Pergolas continued. Dobson agreed it did not.

Continuing the questioning, councillor Lyle McKnight asked if the Ministry would withhold much-needed funds if a resort similar to PineStone Inn and Country Club located in an area in the county other than a site near Haliburton which the study recommended. Dobson said he was involved in ministry financial commitments of that sort and stated funds would not be withheld on that premise.

Dobson explained that the study, consisting of two planning documents with a total of 406 pages, will be used as a "working document" by ministry staff. "We, as influencers, could use it with their (developers) ideas/concepts," he said.

Dobson said Chambers of Commerce within the zone study, the Central Ontario Travel Association (COTA) and municipalities had requested the study. The study, which cost \$125,000 was not government policy, Dobson said, but will "aid us and the private sector to develop tourism."

Reeve Lloyd Walker said he wondered why the Haliburton County planning strategy, prepared by ano-

ther consulting firm in 1978, had suggested Minden was "a great place for growth" and this study "forgot all about Minden."

Consultant Pinkham explained that in looking at the entire study region the consultants "outlined" those areas that we felt, on a regional basis, had the most appropriate resource base. The study was also concerned with an area's extended stay potential and the day use opportunities available, Pinkham explained. Minden was excluded from the areas listed as good tourism development because "it did not have as much potential (as other areas in the region)"

the consultant said.

Although he conceded Minden had a residential development potential, Pinkham said the study was designed "to bring new people and new dollars into the area."

But council was adamant. It demanded to know who provided information that would rule out Minden's development potential. Pinkham responded that "operators and officials" were contacted. But when pressed, he said the consultants' diaries would have to be checked to divulge the names.

"Nobody in Anson, Hindon and Minden was contacted

Cont'd, page 3

Fire leads to coronary

Firemen fight blaze, assist victim

A Stanhope area man suffered a heart attack when the house he was renting burned down two weeks ago.

Joseph Kallman and his wife had rented the home on the Airport Road in Stanhope Township from Ken Rowden. It was a total loss.

While firefighters were battling the blaze, Kallman suffered a heart attack at the nearby home of Keith Rowden. Firefighters provided oxygen and Kallman was rushed to Haliburton Red Cross Hospital. He is reportedly recovering satisfactorily.

Kallman had a history of heart problems, fire chief George Wilson said Tuesday. Kallman was sleeping

downstairs when the blaze broke out. His wife became aware of a problem while on an upper floor. The fire started near a wood stove chimney in the basement. Flames quickly consumed the structure, according to the fire chief.

No one was injured in the blaze. Firemen were called to the home at 2 a.m., January 3.

Stanhope Township firefighters responded to another call the following day at the home of Ross Barry.

The fire began near a chimney and travelled through a tented wall. Damage was described as minor. Barry was home at the time of the fire.

Dysart gets \$200,000

Money will fund local improvements

Dysart et al has received a grant of \$200,000 under the Ontario Neighbourhood Improvement program.

The money will be matched with an equal amount of municipal revenue to upgrade public facilities in Haliburton village.

Among the proposed projects to be completed with the funds are curbs and gutters on Highland Street between Maple Street and the Drag River Bridge, streetlights from the Lakeview Centre to the Beaconbrook Motel, and sidewalks on Highland Street from Spruce Street to Eastern Avenue.

Paving of the parking lots at the Ralls' End Gallery and the arena, substantially completed last summer, may also be included under the program.

The money is expected to be spent over the next three

years, clerk Wayne Wood said Monday. Local contractors will be used wherever possible, he said, although the curb and gutter work may have to be tendered to outside contractors.

A portion of the funds may also be used to purchase planters and other items to upgrade the business district.

Council originally applied for \$1 million under the program, and intended to use much of it for road improvements and for "soft services" such as recreation in the Hasely Development. But the province ruled that only work in Haliburton village was eligible for funding.

Despite the ruling, clerk Wayne Wood said the municipality was happy with the grant announcement.

"We were kind of pleased when it came through" he said.

Briefly ...

Evidence consumed

If police find out who broke into the Wilberforce Curling Club last Saturday night or Sunday morning, there won't be any evidence to recover. Sometime on January 9 or 10, persons unknown entered the club through a basement window and consumed 23 pints of beer.

Nothing else was reported missing. The theft was discovered last Monday by club secretary Gerri Waugh.

Snowmobiler injured

A Mississauga man suffered a concussion when his snowmobile struck a snow covered dock throwing him into the air.

Neil D. Gillies, 41, was travelling near shore on the narrows between Grass and Kashagawigamog Lakes when the mishap occurred, at 3 p.m. Saturday.

He was taken by snowmobile to Haliburton Red Cross Hospital for treatment. Damage to his snowmobile was estimated at \$2,500.

High thievery

Minden OPP are still up in the air over a theft in the Benoit Lake area.

Allan W. Watson of Bowmanville reported last Sunday that someone had climbed the television tower at his cottage and stolen his double head receiver and 10 feet of pole, valued at \$60.

Police say they have no suspects at the moment.

Ice racers from across Ontario were in Minden over the weekend to compete on a track at the Minden fair grounds. Despite cutting winds and below zero

temperatures, competitors and crew appeared to enjoy the event.

Briefly ...

Truck rolls over

A Minden area man was slightly hurt last Friday when his truck left the road on a curve, slid into the ditch and rolled over.

Lawrence W. Anderson, 34, of RR1 Minden was treated at Minden Red Cross Hospital for a sore neck and back.

The accident occurred at 6:15 p.m. on Highway 35 at the Victoria County line.

Damage to the truck was estimated at \$1500.

Snowmobile stolen

Mechanical problems with a snowmobile didn't stop thieves from stealing it. David Reesor, 19 of Markham, experienced mechanical problems with his father's 1979 snowmobile last Friday and had to abandon it near Kennis Lake in Havelock Township.

When he returned two hours later, it was gone. Police are investigating the incident.

Engines disappear

Snowmobiles have been a favourite target of thieves in the last few days.

Sometime between January 12 and 14, two snowmobile engines were stolen from machines parked at Haliburton Marine. On Sunday, January 17, two 1981 snowmobiles were reported missing from the marina. One has since been recovered abandoned on St. Peter's Road in Stanhope Township.

A third snowmobile engine was also reported to have been stolen from a customers machine on January 14.

The thefts are being investigated.

Car stolen, men charged

Two men have been charged with taking a vehicle without the owners consent following an incident last Thursday.

At 8:40 a.m. that day, Allan Bagg of Eagle Lake reported that his 1973 station wagon had been stolen from his residence and then abandoned between Eagle Lake and West Guilford.

Following an investigation, Darren Scott Stamp, 18 of Eagle Lake and Brett Floyd Hie, 20, of Haliburton, were charged.

Accidents investigated

A total of nine motor vehicle accidents were investigated by Minden OPP between January 11 and January 18.

Two persons were injured in the accidents, three of which were non reportable.

There were also 54 general occurrences, which included 11 thefts, two break and enters and one damage complaint.

Mail boxes stolen

Minden OPP are investigating the theft of six mail boxes from the Scotch Line Road.

John Roland reported the theft of his mail box and those of five of his neighbours early Sunday morning.

Committees appointed at Dysart meeting

At it's January meeting, Dysart et al council considered the following:

General accounts totalling \$348,952.82, road accounts totalling \$58,544.01, and social services totalling \$12,497.00 were approved for payment.

The Dysart Library Board for the year 1982 will be composed as follows: Victoria Ross, Phyllis Woodcock, Heather Scully, Mary Walling, and Roy Brohm from council.

The Haliburton Pioneer Museum Committee for the year 1982 will be composed as follows: Jane Heyes, Frank Wallace, Margaret Sisson, Harley Cummings, Allan Bagg and Gerald Dawson. From Council - Sidney Cooper and Gary McKnight.

The following persons were appointed to the Dysart Planning Board for the term 1982: Lloyd Coneybeare, Don Popple, Earl Sisson, N. Jack Denholm, and from Council

Roy Brohm and Gary McKnight.

Harold C. Bannon was appointed Wolf Bounty Officer for the Municipality of Dysart et al (for 1982) in accordance with the Wolf Bounty By-law requirements of the County of Haliburton.

Howard Roberts was appointed Weed Inspector for 1982 and the Clerk so advise the Ministry of Agriculture and Food.

Howard Roberts was appointed Chief Fire Warden for the Municipality of Dysart et al for 1982 and the following was appointed Wardens and the Ministry of Natural Resources will be so advised: Pat Waddell, Neil Howe, Wilf Everett, Victor Hutchings, Grenville Martin, Chester Schwandt, John Burnett, Maurice Emmerson, John Bruce.

The Reeve and Clerk were authorized to sign the Lease between the Municipality of Dysart and Imperial Oil re:

George Street Road Allowance, Plan 1, Haliburton Village.

Council concurred with approval of the Ministry of Natural Resources in granting the construction of a deck located on the original road allowance fronting Lot 18, Plan 540, Little Kennis Lake owned by Gary Dornhoefer.

Council concurred with approval of the Ministry of Natural Resources in granting the construction of a deck located on the original road allowance fronting Lot 68, Plan 493, Little Kennis Lake owned by J. Tunney.

The following people were appointed to the Harcourt Recreation and Community Centre Board for the year 1982: Bill Smith, Frank Packard, Ken Langille, Perry Travis, and Marlene Main, secretary. Harold Bannon and Gary McKnight from council.

The Clerk was authorized to register on title the Ministry of the Environment Provisional Certificate No. A330304, covering part of Lots 11 and 12, Concession 5, Township of Harburn, (Haliburton Lake Waste Disposal Site).

Council had no objections to the proposed changes in the Kingscote Lake Road proposed by the Algonquin Forestry Authority in cooperation with the owners of Kingscote Lodge. It is understood the two parties involved will pay all costs, ie. legal, survey, property acquisition, road closing and reconstruction.

Cardiff Township will be advised that Council have no objection to changing the existing access Road to Cardiff Lake from the old Iron-ale, Bancroft and Ottawa Railway right-of-way to the Harcourt-Cardiff Boudry provided should such Road become a Municipal responsibility and Cardiff Township would assume that responsibility.

By-law no. 82-1, a borrowing by-law, was passed.

By-law No. 82-2, a by-law to establish a plan for the coordination of municipal emergency services, was passed.

By-law no. 82-3, a by-law to close, stop up and convey a portion of the Original Allowance for road between Concessions 1 and 2 across part of Lot 4, in the Township of Dysart, was passed.

Council had no objection to the removal of the Provisional designation to Haliburton County provided it has the assurances of the various Provincial Ministries that various subsidies now in place will not be affected.

The reeve and deputy-

reeve were requested to vote at county council for a more equitable representation that more closely reflects the population and assessment of the townships within the county.

Permission was granted to David Schellenberg to install a 12' x 32" sign below Mark

Vasey's sign. He must provide the necessary Liability Insurance for such and show proof to the Clerk. In addition the sign must be mounted at a sufficient height to accommodate the sidewalk snow plow.

Cont'd. page 3

County council okay by A,H,M

Move to drop 'provisional' from name finds support

Anson, Hindon and Minden is happy with the current membership at the county council table but if a change is to be made in the future, it recommends three deputy reeves be dropped from the roster.

At its regular meeting last Wednesday council voted to keep the membership the same with 19 members including reeves and deputy reeves from each municipality and a chairman from the Improvement District of Bicroft. Presently the 19 members share 29 votes but under Section 27 of the municipal act 16 members would have a total of 19 votes.

With the change in membership deputy reeves in Cardiff, Monmouth and Snowdon would lose their seats on county council. If the county decided to change its membership the other alter-

native is to require only reeves to sit at the council sessions. Under that system the 10 members would share 29 votes.

Anson, Hindon and Minden considered the question after county council members were asked to review the county's status. Anson, Hin-

don and Minden previously passed a resolution to support dropping the word 'provisional' from the county's title.

Although council does not want the number of seats altered it decided to include an alternative in the event county council opted for a change.

Men convicted for illegal hunting

Two Gooderham men pleaded guilty to hunting out of season and a third pleaded not guilty of the same offence when they appeared in court January 7.

Steven Ricketts and Robert Ricketts were convicted after the guilty plea, but assessment of a penalty was held over until March 4.

Robert Travis pleaded not guilty to hunting out of season and possession of big

game, and the case was remanded until March 4.

The three men were charged December 9 by a conservation officer from the Minden MNR office who was acting on a tip. The offence took place near the hamlet of Gooderham.

Four quarters of deer and two rifles were confiscated.

A conviction for hunting out of season carries a maximum fine of \$1000.

Ice racers line up for the start of a heat Sunday afternoon at the track in Minden. Speeds are low in this

form of racing, but there is still plenty of challenge for drivers.

Council held at Stanhope

At the January meeting of Stanhope Township council, the following matters were considered:

Council approved payment of various Ontario Home Renewal Program files totalling \$23,894.00 as recommended by the Ontario Home Renewal Program Committee.

Council acknowledged receipt of a financial report of the New Years Eve Dance from Ann Barker and council thanked her for her donations to the various municipal committees.

Council appointed the following persons to the Stanhope Community Centres Board for the period January 1, 1982 to December 31, 1982: Ann Barker, Al Barnes, Mrs. Bob Meredith, two members of the fire department, two members of the recreation committees and councillors, Harry Davis and Dale Mac-

Minden appoints new members to committee

Anson, Hindon and Minden has appointed members to four year terms on its recreation committee. Serving the municipality will be past members Dean Elliott and John Cooper, and new members Larry Kent, Fraser Rogers and Tom Russell. A senior citizen member, Stan Blears, and a student, Terry Crowe, have been appointed for one year terms. Councillors Ed Pergolas and Lyle McKnight will represent council on the committee.

Donald.

Council authorized the increase of Fire Department members compensation coverage for 1982 to \$22,200. Dale MacDonald declared a conflict of interest.

Council acknowledged receipt of the Fire Chief's report dated January 6, 1982 and also the 1981 annual fire report dated January 6, 1982.

Council supported a proposal to remove the "Provisional" caption from Haliburton County.

Council authorized and directed the municipal auditors to transfer any 1981 surplus monies for any department or committee to a future reserve fund for that specific purpose. These transfers will be made at the discretion of the Auditors and Treasurer upon completion of the 1981 audit.

Council supported a motion from the Township of Glanbrook with respect to petitioning the Government of Canada to take immediate steps to lower interest rates being charged on loans and mortgages.

Council acknowledged receipt of the Stanhope Library Committee meeting minutes dated December 10, 1981.

The clerk was authorized to purchase a set of the 1980 Revised Statutes of Ontario at a price of \$200.

Council endorsed the Municipal Housing Statement for the Municipality, prepared with the direct technical assistance of the Ministry of Municipal Affairs and Housing.

Council confirmed its support for the three township "joint" participation of Stanhope Township, Lutterworth

Township and Anson, Hindon and Minden Townships in pursuing the proposed development of a Municipal Non-Profit Housing Project to be located in Minden Township. It is council's understanding that only through joint participation of all three municipalities and based upon the combined housing needs of all three townships is there sufficient demand to warrant the development of a Municipal Non-Profit Housing Project.

Council authorized the township to acquire a 1982 membership with the newly formed Association of Municipalities of Ontario and the Clerk will advise that this township wishes to participate in the Rural Section of the newly constituted Association.

Council authorized its solicitor and planning consul-

tant to contact the owner and the operator of the business on part lot 14 concession IV, Township of Stanhope and proceed with preliminary meetings with the aforementioned parties in an effort to resolve problems relevant to the establishment of a saw-mill/woodcutting operation on the subject properties.

Council approved general accounts totalling \$8,751.61; Road voucher totalling \$56,664.46 and December Welfare voucher of \$1,845.14 for payment.

By-laws 82-1 to authorize the borrowing of monies from time to time; 82-2 to authorize the Reeve and Clerk to execute documents on behalf of the Township; and 82-3 to authorize the Reeve and Clerk to execute documents on behalf of the Township were passed.

Dysart appoints committees

from page 2

Council concurred with the changes in the Boice Draft Plan being part of Lot 29 and 30, Concession 12 and Concession 13, Lot 28, Guilford.

Dysart Recreation and Community Centres Board for the year 1982 will be composed as follows: Scott LaRue, Brian Black, Roy Scott, Dorothy Baker, Pat Kennedy, Sidney Cooper and Gary McKnight from council.

The Tender of Haliburton Lumber and Enterprises, for building materials re: Municipal Building, Maple Avenue at the Drag River, in the amount of \$6,353.86 was accepted.

The Reeve, M.G. Fearrey left the room during tender opening, discussion and acceptance and did not in any way enter into discussion of this matter.

The Tender of Curry Motors Limited, in the amount of \$6,263.78 plus tax, for a 1/2 ton, 4x4, for the Roads Department was accepted with trade of a 1979 1/2 ton.

Tourism zone study criticized

from page 1

about tourism," deputy reeve Doug Pritchard told the consultant. "The warden (Dysart et al reeve Murray Fearrey) wasn't even contacted," the reeve added.

"Who supplied the information?" Pergolas demanded to know.

Pinkham, who was obviously flustered by the grilling, said he knew Chamber of Commerce manager Bob Stinson had been contacted and he said municipal officials had been approached. But council was not swayed.

"It's beyond my comprehension that you wouldn't come into a municipal building" for basic information, Pergolas said.

"I'm positive we would have contacted someone," Pinkham said.

A member of the audience, Hart Lodge owner Eileen Crawford later told council she had been approached for information on the area by consultant Mary Burns.

Pinkham told council the consultants spent approximately two or three days in the area and Burns added three months were spent in entire zone study area.

Council added to its concerns the names which had been attributed to the area. They were displeased with the term "Anson outcrop" which Pinkham explained was a geographical reference as most used in the document are. Council also disliked the area being termed as a "hinterland". Pinkham explained the term meant a naturally preserved area around or between development "nodes" that can support attractive individual developments. "It doesn't suggest that it's the boonies," he said.

"I think it was a very poor use of the word," Pergolas retorted.

Dobson tried to explain that the study is used only with ministry staff and developers who are familiar with

planners' terms and that it was not intended to be understood by laymen.

"Nowhere in this report does it say there is no development potential in Minden," Pinkham said. "I hate to admit this to you, but if we had it to do over again, we would not have applied names to those geographical areas."

"Terminology is often so important," Dobson added. Finally, Pergolas asked if the study could be corrected to portray Minden area properly.

And although Dobson was hesitant at first, before the meeting ended he suggested council prepare a brief and mail it to his attention at the ministry.

"We have no other choice but to condemn the report... It's practically cut the heart out of any development that might come here," Pergolas commented.

Reeve Walker asked Pinkham if a list of contacts consultants made in the area during the study could be compiled and sent to the

municipal office.

"I'm not convinced that would prove anything," Pinkham countered. "If we spent three days in every community of a 1,000, we'd still be here." Pinkham said the consultants read as many reports as possible concerning the area, flew over the entire area twice and also tried to travel as many roads as possible.

In the end he agreed to provide council with a list of contacts made by the consultants.

COMMENT

EDITORIALS

A code to guide players, parents

This week is minor hockey week across Canada, a time to honour the game and the people whose dedication and hard work enable it to be played. Minor hockey exists for youngsters, and that fact should never be forgotten. But it is a cooperative venture among players, coaches, referees, parents, and others who work behind the scenes.

To draw attention to the responsibilities shared by parents and youngsters, Hockey Ontario is promoting fair play codes. The codes are published here both in recognition of minor hockey week and of their value not only to hockey, but to all team sports activities.

Player's Code

1. Play for the "fun of it", not just to please your parents or coach.
2. Play by the rules.
3. Never argue with the officials' decisions. Let your captain or coach ask any necessary questions.
4. Control your temper - no "mouthing off", breaking sticks, throwing helmets or other equipment.
5. Work equally hard for yourself and your team - your team's performance will benefit and so will your own.
6. Be a good sport. Cheer all good plays, whether your team's or your opponents'.
7. Treat all players as you yourself would like to be treated. Don't interfere with, bully or take unfair advantage of any player.
8. Remember that the goals of the game are to have fun, improve your skills and feel good. Don't be a show-off or always try to get the most points or penalties.
9. Cooperate with your coach, teammates and opponents, for without them you don't have a game.

Parent's Code

1. Do not force an unwilling child to participate in sports.
2. Remember children are involved in organized sports for their enjoyment, not yours.
3. Encourage your child always to play by the rules.
4. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
5. Turn defeat to victory by helping your child work towards skill improvement and good sportsmanship. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember that children learn best by example. Applaud good plays by your team and by members of the opposing team.
7. Do not publicly question the officials' judgement and never their honesty.
8. Support all efforts to remove verbal and physical abuse from children's sporting activities.
9. Recognize the value and importance of volunteer coaches. They give of their time and resources to provide recreational activities for your child.

A crying need for common sense

If nothing else, the rash of fires in the county in the last few weeks should serve as a grim warning to everyone who heats with wood. For the fact is that far too many homeowners are putting their lives, and the lives of their families, at risk by failing to recognize that wood heating can be dangerous. Poorly installed chimneys, chimneys that are not cleaned regularly, stoves that are too close to flammable materials, or that are left to smolder without sufficient air for combustion, invite disaster.

Heating with wood is a risky business. But if caution and common sense are exercised, those risks can be minimized. It is up to every homeowner to ensure that no more buildings are lost to needless fires this winter.

Silhouettes

Changes challenge all who love hockey

Editor's Notebook

by LEN PIZZEY

The face of minor hockey is changing. Declining numbers of players and the rising price of gasoline are already having their effect. It seems inevitable that in a year or two the cost of transporting teams to communities 60 or 80 miles away will be prohibitive. But that doesn't mean the sport will have to die. On the contrary, the forces that are pressuring minor hockey organizations may ultimately strengthen rather than weaken the game.

What happens to hockey will depend on how willing communities are to change. If there is less competition, there may be more fun. If there is less pressure to win, there may be more time to concentrate on building the skills that can make hockey a thing of consummate beauty.

Minor hockey has always had its detractors, and criticisms have been justified. The stereotype of the aggressive, foul-mouthed parent raging at referees and ranting at every missed pass or check has been etched into the minds of more than a few casual observers of the game. There have always been parents who hung dreams of riches on the coat tails of their youngsters, parents whose unreasonable expectations taught 10 year olds how it feels to fail.

And too, there have been many parents who tired of the expense and inconvenience of the game. They have withdrawn their youngsters from minor hockey, believing that skiing and other activities offer greater rewards.

Coaches have also been disillusioned by minor hockey, not so much because the organization failed them, but because parents have too often been content to let others do the work and foot the bills.

Still, minor hockey has survived, and in communities like Haliburton, it continues to flourish. As Canadians, reared on the speed and excitement of our national game, we would like to believe that hockey will last as long as there is winter. But the reality is that competitive hockey for youngsters, at least for Novice, Atom and PeeWee aged youngsters, may soon be a thing of the past.

Is that something to be lamented? There are arguments on both sides of the question. Some may say that without competition, without the pressure to win, youngsters will have no incentive to excel. Others would no doubt argue that less competition would bring a new vigour to the game, giving coaches a chance to teach passing and shooting and positioning slowly and systematically.

There is truth on both sides. And as the game changes, both sides will have to be heard. For in the end, the survival of minor hockey will depend on how well the parents of the community are able to adapt to forces they cannot change.

Uncaring 'monsters' risk road death

Serendipity

by SUE COOPER

There are monsters among us. Their bodies are huge, lumbering masses that lack only the greenish tinge of the incredible hulk. Over-sized circular heads with reflective faces defy distinction. Great grasping hands of leather grip gasoline power to become invincible. Magnificent tire-tread foot prints have been seen at lodges, private homes and fuel stops.

But these terrifying sasquatches are welcome here. They are similar to the Hulk's human form; fun-loving and friendly. Many are tame and fit into society well.

There are a few, however, (and the number seems to be growing), who delight in terrifying motorists. They flash horrors through the windshield and threaten people with life-time nightmares.

Even public protectors are unable to keep the monsters confined. They emerge on highways. Their greed is so tremendous and their knowledge

so limited they cannot be thankful for being allowed to travel township and county roads. They crave the danger of the provincial freeways.

Likeable monsters have created pathways through the forests and on the frozen lakes. Sympathetic landowners have yielded to their requests. But that, it seems, is not enough for monster-maniacs.

With their leather hands squeezing the throttle, they move out in gangs to torment unsuspecting motorists. Lost monsters, not as daring as their rebellious leaders, resort only to scare tactics. They seek out their prey from the shoulders of the highways. But their viciousness should not be underestimated as they toss a white blockade behind, making them visible only to oncoming motorists.

When a monster is sighted, motorists' knuckles turn white as the steering is gripped tighter. Motorists edge their legal vehicles to the opposite shoulder, silently praying that they will not be attacked by the unknown monster. They pass safely in daytime and miraculously in the darkness, but sometimes they do not pass at all.

In King Arthur's time, monster slaying was commendable but in modern times it tends to break white knights, leaving them crying and

Feir Play

Creighton Feir

It seems that every now and then all of us like to take the opportunity to hand out advice whether it be good or bad. I realize that I am one person who enjoys nothing better than to hand out opinions and advice on this matter and that matter. With me it seems to be a way of life. Sometimes these little gems of wisdom have been known to get me in hot water but on the other hand I am smart enough to realize that if I am going to dish it out then I have to be man enough to take the criticism when it's pointed my way. There are certainly many things that don't suit me that go on in this grand old county and on several occasions I have been known to speak my mind on these matters. In the days that lie ahead I will likely tackle more of the problems that face us.

While on the subject of opinions we must all realize that if we placed four people in a room and threw out a topic for discussion on the table I doubt if those four people would all agree on this one subject. This, in my opinion, is good, because it would be a funny world if we all agreed on everything that confronts us. This is why some of us support the Liberals, others the Conservative and others the NDP political parties. You can imagine what kind of government we would have if we all voted the same way. Everyone should have different thoughts on different matters because if there ever comes the time when we all decide to agree on the same things then we will be in for really big trouble. Everyone has the right to their own opinions and this is what democracy is all about. Let's not forget that men laid down their lives in previous wars so that we who are left would have the right to live in a free country in a democracy that gives everyone the choice to vote for the political party of their choice. It does bother me to no end when I see the large numbers who stay away from the polls on election day and who do not take the advantage to exercise their franchise. There is one thing that I just can't seem to tolerate and that's public apathy. We can't sit back and say that everything is just fine and dandy when we know that it just isn't so. Many people sit back and say, 'Oh well, let it go on, we can't do anything about it and we don't want to rock the boat.' These statements are far from the truth. It would be a better world if we would all admit that we can do something about certain matters and that if we did start to rock the boat now and again. We can do something about it by letting our thoughts be known on certain matters of interest. Think about what I have been saying for a moment and I believe that you will agree that we are not going to go very far if we all start to keep our mouth closed.

May we remind everyone that Minden Kinsmen Carnival Queen contest will be held on Friday, January 29 at 5:30 p.m. at the arena auditorium. Please phone all entries to Rob Young at 286-1584 no later than January 23, 1982. The rules are listed in an advertisement in this week's issue of the Echo. We urge all those interested to get their entries in right away.

Pat Kennedy of Race Haliburton would like to remind everyone that more help is still needed for scoring track personnel for the 1982 Echo Cup Snowmobile Races which will be held at Haliburton on Saturday and Sunday, January 30, 31, 1982. Saturday will feature the Echo Cup Cross-Country Snowmobile Race and on Sunday it's the Yamaha Sno-Cross. If you can help please get in touch with Pat at 457-1771 days or 457-2408 evenings.

For all you ladies who enjoy skiing or who would like to learn how to ski you are in real luck as every Wednesday is Ladies Day at Sir Sam's Ski area. Just imagine, you get a tow ticket, rental equipment and lesson all for \$10. Ladies don't forget to bring along your boyfriends or husbands who can also ski at the same low rates.

According to a write up in The Highland Rotooter, the voice of the Haliburton Rotary Club, Dale Robinson is encouraging club members to ride in this year's upcoming Snowarama. A trophy will go to the rider within the club with the highest donations from pledges. If the Haliburton Club would put up 15 riders with at least \$200 each in pledges, \$3000 would be added to the total. In previous years Snowarama, which is sponsored by the Minden and Haliburton Rotary Clubs, saw the most riders take part from the Minden area. This year an all out effort is being made to make sure that Haliburton has a larger number of riders on the trail.

Week of the Prayer continues tonight, Wednesday, January 20 at the Haliburton United Church with the speaker Miss Edith Radley. On Thursday evening, January 21 Trevor Denny will be speaking at the Allsaw Pentecostal Mission and on Friday evening at the Lakeside Baptist Church the speaker will be S. Buell.

Parry Sound will be the visitors when they take on the Haliburton Huskies at the arena in Haliburton this Saturday evening, January 23 at 8:00 p.m. This is a regular scheduled Georgian Bay Junior C hockey contest.

Travelways are at a new location in Haliburton. They have moved from Calico Crafts on Highland Street down to the Shamrock Service Centre.

We have been asked to remind everyone in Haliburton and Minden area to please leave your Christmas lights up so that they can be turned on for the two local Winter Carnivals that are coming up. The first one will be the Minden Kinsmen Winter Carnival slated for Friday, Saturday and Sunday, January 29, 30 and 31. These coloured lights add a great deal to the carnivals.

VIEWPOINT

Pic of the Past

This week's Pic of the Past is a photo taken outside of William Moore's house in Minden around 1921. The Moore family always enjoyed music and here the fiddling Moore's, William Sr. and his son William who is the southpaw are

shown playing one of their favourite tunes on their fiddles. Our thanks to Mrs. Ethel Harrison of RR2, Minden for submitting this most interesting photo.

Bill Smiley

I was going to say, "There's nothing more boring than old people talking about the 'good old days' when they were young."

Then I realized that I was out in left field, with nobody at bat, the pitcher chewing tobacco and spitting juice, the catcher fumbling around trying to adjust his athletic protector, as they now call a metal jockstrap.

There are many things more boring. Little children who want one more horse ride when your spine feels fractured in eight places from the 10 previous jaunts.

Teenagers babbling endlessly about rock stars, boyfriends, girlfriends, and the money they need to keep up with their friends. "How come we only have a 21 inch TV? I'm 16; why can't I stay out till 3 a.m. if I want to? I'm the only girl in the class who doesn't have construction workers boots!"

University students, perhaps the most boring creatures in our society. After the initial chirps of recognition: "Oh, Mr. Smiley, are you still teaching? How's it going?", as though you should have quit the minute you levered them through high school. And then 40 minutes of straight, self-centered description of their university courses or their jobs, their professors, their disenchantment with their courses, their unspoken admission that they can't hack it, as you knew they couldn't in the first place.

I manage to brush them off after about eight minutes with a cheery, "So long, Sam, great to hear you're doing so well, and best of luck. I have to go to an orgy for senior citizens that starts in four minutes, with the pornographic movie." It's great to leave them there with their mouths hanging open.

Next worse, in the boring department, are young couples who have produced one or two infants, and talk as though they'd swum the Atlantic, or climbed Mount

Everest. "Let me tell you what Timmy (or Kimmy) said the other day. He was sawing wood in the nursery school, and his saw slipped, and he pointed at his saw, and he said, 'Don't you dare do that', and the teacher told me, and she said it was the most hilarious thing she'd ever seen, and blah blah blah, and..."

Boring. B-o-r-i-n-g. We can all top that type of story. My daughter, age 7, Grade 2, just getting over the Santa Claus bit, came home one day and told my wife she knew what a certain familiar four-letter word that she'd seen scrawled on the sidewalk meant. My wife is naive, even now, 20 years later.

At the time, rather absent-mindedly, with Dr. Spock lurking in the background, she enquired, "And what does it mean, dear?" The response was, "When men and ladies lie down on top of each other and go to the bathroom." That was the end of any birds and bees instruction.

Next in a descending line of boring conversationalists are middle-aged grandparents. The women, young enough to still elicit a whistle on a dark night, the men old enough to suck in their paunches when a bikini walks by, they act as though they had invented grandchildren. They whine exchanged whimpers about the baby-sitting they have to do. They brag that their grandchildren are the worst little devils in the world. Boring.

And finally, we get to the elderly. Certainly some of them are boring, but they are the ones who have been bores all their lives.

But the others, the salty ones, even though slowed by the body's increasing frailty, retain their saltiness, and even improve on it, because they don't give a god damn anymore. They can say what they like and do what they like. And they do.

I've met or talked to three men in their late 80s recently.

My father-in-law, 89, seemed rather frail when we arrived for a visit, at 3 p.m. At 11 that night we were still arguing religion and politics, at top form.

I've told you about old Campbell, the 85-er who dowses wells and is set to go to Paraguay. Talked to my great-uncle, riddled with arthritis, and his voice and welcome were as warm and crackling as a fireplace freshly lit.

This whole column was inspired by a clipping my sister sent me about 88 year old Lawrence Consitt of Perth, Ontario.

Lawrence was present when the last man was hanged in Perth. His comment: "It was strange". The man had turned to the crowd and smiled just before his death. He had murdered his wife. Today he'd be given a manslaughter and six years. Lawrence started playing piano 79 years ago, at dances,

at the silent pictures theatre. He got five dollars a night for a dance. The talkies knocked him out of a job in 1930. But he kept on playing ragtime and jazz wherever there was an opening.

I listened to him improvise for the silent movies. I danced to his piano at country dances, with his nieces and great-nieces.

He always had a crock. Took the pledge in 1925. It lasted 13 months. Got sick on a ship to France in 1918, and was too late to be killed.

He never married; "But I drank a lot of whiskey." He's in one of those Sunset Havens now, but when they ask him when he'll be back from a day in Perth, he says, "It depends on who I meet."

That's boring? Hang on, Lawrence. You gave great pleasure to many people. I hope I can stay as salty as you.

Sue Cooper

from page 4

shaking on the edge of the highway. Slain monsters remain motionless, blood gushing from their shattered bodies.

Only conscientious monsters heed the death of a peer. Rebellious leaders are not swayed by white knights in satin.

Monster mobiles lose traction on bare pavement. They skid around corners and are hidden by sudden gusts of wind providing blinding white camouflage. Monsters, as all motorists know, are not satisfied by single attacks, they travel in gangs. Their onslaught is continuous. Monsters are uncaring. After all, they're having monster-fun.

But motorists do care and dislike monster blood on their bumpers. Monsters' families also care.

Monsters should realize they are not invincible. And they should realize too that when monsters die, they die forever.

Lack of funding hampers grooming

From the Chamber

by Bob Stinson

Trail reports are now being put out by the HCSA which are further made available to the public through their Federation and the Ministry of Industry and Tourism. Likewise the Cross Country and downhill ski conditions are reported regularly through OSRA. The weather has caused some problems in doing a good job on the grooming, particularly where there are ponds that still refuse to freeze up and some questionable lake conditions.

The biggest problem for the associations however, is funding. After first saying there would be no funding, then saying there would be some, probably 40 per cent or more, the Ministry of Natural Resources finally comes up with 17 per cent of last year's grant to the local clubs. They had claimed that the reduced fund available would be spread among the clubs with the greatest need and with that criteria in mind we had certainly expected our area to get a reasonable percentage. This week-end we talked to a member of a snowmobile club from St. Catharines whose club had been provided with 15 per cent of their previous year's allotment. He didn't feel his club should have received any and certainly felt more should have been designated for Haliburton. "After all", he said, "about the only ones that run our trails are our members, but up here the percentage would be the other way around."

When the MNR estimates debate came up at Queen's Park, John Eakins fought hard on our behalf and quoted passages from letters written by the Chamber, the County, the HCSA, the Haliburton Cross Country Ski Club, and the Lake Kashagawigamog Tourist Association to prove his point with the Minister, the Honourable Allan Pope. In discussion, Pope admitted that he felt clubs will continue to require assistance for their programs but is firm that they will not get it from his Ministry. He is not prepared to look for other alternatives for them but notes that in the case of the club he belongs to, which is in Sudbury, funds secured through Wintario will probably be sufficient. In Sudbury that may be the case - but he is not prepared to look at the difference in Haliburton Highlands.

Queen's Park Report

by John Eakins, MPP

I would be pleased to hear from our farm community regarding the Farm Assistance Program. As you know, the details of Ontario's Farm Adjustment Assistance Program are now final. They are laid out in the report tabled in the Legislature. There are four eligibility criteria: In the first place, a producer must have a remaining equity of between 10 and 50 per cent in his farm assets, measured at current asset values. The program will be flexible enough, however, to assist producers with exceptional ability and a low net worth. Second, the producer's interest and principal payments must exceed 20 per cent of operating costs. Third, the producer must have realized receipts of more than \$25,000 in 1981 for food or tobacco products produced on his or her farm. And finally, in the opinion of the local screening committee, the producer's enterprise must be viable in the long run.

The initial screening of producers will be done locally by a committee comprising the bank manager, the farmer's accountant and the local

The Scoresheet

Minden Novice played in Fenelon Thursday, January 14.

Final score was Fenelon 3, Minden 0. They played in Little Britain Sunday, January 17.

First period: :09 Robbie Ackerblade scored unassisted; 7:41 Randy Bull scored unassisted; and at 8:51 Little Britain scored.

Second period: :29 Robbie Ackerblade scored unassisted; 1:52 Little Britain tallied; 6:19 Jay Hughes connected unassisted; 8:21 Little Britain scored; 8:47 Jay Hughes scored unassisted.

Third period: 4:14 Jay Hughes scored from Hunter Obee; 5:12 Robbie Ackerblade scored from Kevin Buchannon; 6:48 Little Britain scored.

Steven Beaver was in goal for Minden.

Final score was Minden 7, Little Britain 4.

Minden Atoms played in Oakwood Wednesday, January 13.

Scoring for Minden was Tom Heppleston from Scott Russell.

Final score was Oakwood 10, Minden 1.

The played Little Britain Thursday, January 14 and lost 17-1.

Scoring for Minden was Tom Heppleston from Scott Russell. Minden only had seven players and during the game two of them got hurt so they played the last two minutes with only five players.

Minden PeeWees played in Haliburton Tuesday, January 12.

First period Haliburton's Erin Nicholls scored unassisted; and Jeff Emmerson scored from Nicholls and Jaro Cooper. Gord Wood scored for Minden from David Preston and Scott Russell.

Second period: Jeff Smith scored for Haliburton from Drew Mitchell and Jeff Warburton.

Third period: Minden's Gord Wood scored from Tom MacLeod and David Preston.

Minden was playing without their regular goaltenders so John Wells put on the pads and played a good game.

Final score was Haliburton 3, Minden 2.

Minden Bantams played in Bobcaygeon Sunday, January 17.

First period: 2:59 Bobcaygeon scored; 8:06 Glenn Hall scored unassisted.

Second period: 1:43 Bobcaygeon scored; 2:05 Bobcaygeon scored; 3:39 Greg Newell scored unassisted; 7:18 Bobcaygeon scored on a power play; 7:31 Bobcaygeon scored.

Third period: 2:39 Bobcaygeon scored; 4:42 Jeff Howe tallied from Paul Aggett; 5:54 Bobcaygeon connected; 7:30 Paul Walker scored from Glenn Hall and Mike Gorgevatt; 8:01 Paul Aggett scored from Jeff Howe; 11:33 Bobcaygeon scored on a power play; 12:47 Bobcaygeon scored; 14:48 Bobcaygeon scored.

Penalties: Minden 10 minutes and Bobcaygeon 8 minutes.

Final score was Bobcaygeon 10, Minden 5.

Minden Midgets played in Little Britain Friday, January 15.

First period: 5:01 Little Britain scored; 5:40 Little Britain scored; 10:51 Andrew Shapiera connected from Doug Schell on a power play; 12:15 Rob MacLeod scored; 13:05 Little Britain scored.

Second period: :09 Little Britain scored; 2:14 Rob MacLeod scored from Greg Newell and Jeff Stamp; 4:30 Little Britain tallied; 8:41 Rob MacLeod scored from Doug Schell and John Dillon; 10:44 Scot Hamilton scored from Andrew Shapiera; 11:30 Scot Hamilton netted one from Rob MacLeod, shorthanded.

Third period: 5:09 Jeff Stamp scored unassisted; 6:40 Little Britain scored; 12:27 Jeff Stamp scored from Scot Hamilton on a power play; 14:38 Little Britain tallied on a power play.

Penalties: Minden 12 minutes and Little Britain 14 minutes.

Final score was Minden 8, Little Britain 7.

Minden Juveniles played in Minden Friday, January 15.

Final score was Newcastle 2, Minden 1. No other details were available.

Upcoming Games

Thursday, January 21 - 6 p.m. - Haliburton Atoms at Minden; 8 p.m. - Haliburton Bantams at Minden. Friday, January 22 - 8 p.m. - Oakwood Juveniles at Minden. Saturday, January 23 - 2 p.m. - Beaverton Novice at Minden; 5:30 p.m. - Woodville Bantams at Minden; 7 p.m. - Woodville Midgets at Minden. Sunday, January 24 - 4:30 p.m. - Bobcaygeon Midgets at Minden;

Top curlers in the Skyline bonspiel was the Richmond Hill rink of Bob Houston, (skip), Don Jenkins, Andy Thomson and Jack Cox.

Winners of the 'B' division was the Milton rink of Ron Flannagan, Dave Adams, Doug Ptolemy (skip), and Dave MacDougall.

LKTA hosts 16 Atom teams

The annual Lake Kashagawigamog Atom Hockey tournament will bring 15 teams from southern Ontario into the community for three days of competition.

Attending the tournament, which gets underway Friday and continues through Sunday, will be clubs from Mississauga, Cooksville, Royal York, Stouffville, York Mills, Oakville, Kingston, Hillcrest,

Uxbridge, Erindale, Leaside, Markham, Toronto, Ottawa, Sharon, and Haliburton.

Play gets underway at 3:30 p.m. Friday, and resumes at 9 a.m. Saturday. Sunday, the teams will take to the ice at 8 a.m.

The 'B' grand championship will be decided beginning at 1 p.m. and at 2:15 p.m. the 'A' grand championship will be decided.

Richmond Hill wins Skyline

Haliburton rinks battle for 'D' championship trophy

A foursome from Richmond Hill proved to be the top curlers in the annual Skyline bonspiel over the week-end. Bob Houston's rink of Don Jenkins, Andy Thompson and Jack Cox outplayed 31 other rinks to earn the Haliburton Lumber trophy and the 'A' division title.

Houston's rink edged out Steve Collier's Sudbury rink in the final match Sunday afternoon.

Third place in the division went to Doug Hutton's rink from Scarborough. In fourth place was Jack Scammel's Oshawa rink.

Doug Ptolemy of Milton repeated his victory of last year in the 'B' division. Ptolemy's rink of Ron Flannagan, Dave Adams and

Dave MacDougall defeated Ron Barr's Haliburton rink to win the Curry Motors Trophy. Jim Hie of Smith's Falls led his rink to third place, while fourth place in the division went to Bob Morrison's rink from Hampton, Ontario.

John Piper of Oshawa, who won the 'A' division last year, had to settle for the 'C' title this year. His rink of Ron Elliott, Bill Lockwood and Mike MacKay outscored Jack Naylor's Oshawa rink in the final game Sunday to earn the Esso Trophy.

Mike Cummings' Haliburton rink took third place in the division. In fourth spot was Paul Atwood's Peterborough rink.

Two Haliburton rinks squared off for top honours in the 'D' division, and when the final rock was thrown, Dave Gray's rink of David Bishop, Murray Kuno and Bob MacNaull had won the Black's

Hardware Trophy by defeating Joe Iles' rink.

Third place in the 'D' division went to Ben Slater's Don Mills rink. George Long of Apsley finished in fourth spot.

Winning the 'C' division was the Oshawa rink of Ron Elliott, Bill Lockwood, John Piper (skip) and Mike MacKay.

Winners of the 'D' division were Murray Kuno, Dave Gray (skip), Bob MacNaull and David Bishop, all of Haliburton.

Oddsmakers for All-Stars

In support of "Minor Hockey Week" and Haliburton Minor Hockey, the Haliburton Men's League All Stars have challenged the Haliburton Huskies to an exhibition game. The game is scheduled for this Wednesday night at 8 p.m. Admission charge will be Adults \$1.00, Students .50 cents and children under 12 will be admitted free.

At press time, oddsmakers have the All Stars favored by two goals.

Midgets dominating league at season end

Haliburton's OMHA Midgets continue to dominate their league as the regular season heads into the home stretch. The Midgets have played twice in the last two weeks, and in each game they've skated to 7-3 wins.

On Friday, January 8, the local squad travelled to Little Britain and despite a slow start, they came on to take a convincing victory.

Little Britain took a 1-0 lead only a minute into the game, and four minutes later, they moved ahead 2-0.

But Haliburton came back to tie the score before the period ended on goals by Scott Rae, assisted by Scott Mitchell, and Kelly Mitchell assisted by Bernie Upton and Barry Boice.

The local midgets hit their stride in the second period, notching five unanswered goals, four of them by Scott Rae. Rae's markers came at the 10 second mark, assisted by Jeff Bain and Steve Smith; at 4:20 with help from Jamie Bennett; at 7:56, assisted by Bain and Boice, and at 11:45, with help from Drew Bishop.

With just three seconds left in the period, Kelly Mitchell and Barry Boice teamed up to give Haliburton a 7-2 lead.

The pace slowed down in the third period, as Haliburton defended their lead and Little Britain continued to be stymied.

The only goal of the period came at 6:23 when Little Britain managed to put one by Tim Deremo in the Haliburton net.

Both teams had their share of penalties in the match, as Little Britain was called for 15 minor infractions and Haliburton for 14.

Last Friday night Haliburton hosted Woodville, and once again the local midgets proved too powerful for their opponents.

Haliburton was again slow off the mark in the first period but dominated in the second and third.

Woodville took a 1-0 lead at 5:25 of the opening period, and held onto it until 2:20 of the second, when Fred Roberts tied the score with help from Kevin Warburton and Kelly Mitchell.

At 6:38, Scott Rae put Haliburton out in front with help from Warburton, and they quickly pressed on to a 4-1 lead on goals by Jeff Bain from Rae and Steve Smith, and Barry Boice from Drew Bishop and Warburton.

Woodville was not out however, as they surged back with two more goals before the period ended to move within a single goal of the home team.

But Haliburton shut the door in the final moments, driving in an insurance goal and notching two more in the third period.

Scott Rae got his second with only a minute and three seconds left in the second period to open a two goal margin. Assisting on the play were Warburton and Kelly Mitchell.

Mitchell scored at 3:57 of the third period on a solo effort to give Haliburton a 6-3 lead, and at 11:31, Scott Rae

Cont'd. page 12

Mervin Barry, president of Minden minor hockey, presented championship trophy to the captain of the Lindsay team at the close of the Rotary PeeWee hockey tournament in Minden Sunday afternoon.

Lindsay, Beaverton win Minden, Haliburton lose in tough games

Lindsay and Beaverton teams were the big winners in the Rotary PeeWee tournament held in Minden over the week-end.

Lindsay got by Oshawa 6-4 in an exciting final match to take the overall championship, and in the consolation final, Beaverton defeated Cookstown 4-2.

Both Minden and Haliburton found the going tough, and each was eliminated in consolation round action.

In the opening match of the tournament, which got underway Saturday morning, Bobcaygeon rolled over Minden 10-1.

Minden's lone goal came with just nine seconds left on the clock when Kent Taylor connected on a pass from Tom MacLeod to spoil Bobcaygeon's hopes for a shut-out.

In their first round action Lindsay defeated Haliburton 6-0, Creemore took Beaver-

ton 5-1, Bewdley shut out St. Paul's 5-0, and Oshawa blasted Cookstown 11-0.

A second Oshawa team, dubbed the Canadians, got a bye into the first round of the championship side.

On the consolation side, Minden met Haliburton and emerged with a 5-2 win to eliminate the Haliburton club.

Tom MacLeod led off the scoring for Minden at 4:35, assisted by Scott Russell and David Schell.

At 7:26, Jeff Warburton tied the score for Haliburton with help from Ben Packard.

Less than a minute later, Aaron Davis scored for Minden, assisted by Trini Elias and MacLeod.

The margin was shortlived, however, as Erin Nicholls tied the score at 8:34 on a pass from Jaro Cooper; and at 9:27, Drew Mitchell scored unassisted to give Haliburton a 3-2 lead.

In the second period Min-

den tied the score as Scott Russell tallied at 5:30, assisted by Joey Newman and Gord Wood.

Haliburton was unable to connect in the period, and fell behind at the 43 second mark of the third, as Russell again scored, this time assisted by MacLeod and Taylor.

Minden got the insurance marker at 9:43 off the stick of John Wells. MacLeod and Taylor helped out on the play.

Final score was Minden 5, Haliburton 3.

In other consolation action, Beaverton defeated St. Paul's 6-1, and Cookstown got a bye into the final after scoring the first goal in a 2-2 tie with Oshawa Canadians.

On the championship side, Bobcaygeon defeated Oshawa Canadians 5-1, Lindsay took Creemore 3-0, and Oshawa got a bye into the final after outscoring Bewdley 5-1.

Minden's third game was against Beaverton for the right to advance to the consolation final. Despite a number of excellent chances, Minden could manage only one goal, from Scott Russell, assisted by MacLeod and Wood. Beaverton netted five to take the match.

On the championship side, Lindsay defeated Bobcaygeon to set the stage for the final.

The Lindsay team received the Rotary Cavellier Pepsi Challenge championship trophy for their efforts as well as gold medallions.

Cont'd. page 14

Huskies win in high-scoring game

If the Haliburton Huskies were not entirely pleased with the outcome of their week-end series against Bracebridge, they could take heart in the fact that they provided fans in both communities with some exciting hockey.

The Huskies travelled to Bracebridge Friday and wound up on the short end of a 12-8 score. Sunday, before a home town crowd, the Huskies banged in a total of 11 goals and, despite a Bracebridge rally late in the third period, hung on to win by a single point.

The Huskies proved equal to the Bears in the first period of Friday's match, as a pair from Dave Nicholls and a single by Tim Davies were answered by three from Bracebridge.

The Bears began to open up in the second period, however, taking the lead at 3:53 and adding three more at 4:23, 7:52 and 16:06.

Haliburton managed only a

single marker in the second, at 17:21 off the stick of Corey Walker, assisted by Shaun Chapman.

The Huskies moved to within two at 6:41 of the third, as Ron Yake took advantage of a power play with help from Chris Hodgson and Nicholls.

But Bracebridge refused to be contained, netting two more, one at 8:50 and a second at 10:15 while Ed Roberts was off for charging.

Thirty seconds later and still shorthanded, the Huskies got another as Nicholls completed the hat trick with help from Yake.

Gary Harrison bolstered the Huskies hopes at 11:39 with goal number seven, assisted by Walker and Kevin Shapiera, but Bracebridge put the game out of reach with goals at 12:35, 17:24 and 18:54.

Haliburton's final goal came at 18:10 when Chris Hodgson connected with help from Yake and Rob Apbs.

Despite the four goal loss,

Craig Wood played a strong game in the Haliburton net, handling 44 shots while the Bracebridge netminder stopped only 27.

Sunday's game gave the Huskies a chance to avenge the loss, and avenge it they did, though the victory was far from an easy one. In the final minutes of the third

period, the Bears staged a rally that brought them to within one goal of a tie.

Ron Yake opened the scoring for the Huskies just 16 seconds into the game, and at 2:45, Ed Roberts made it 2-0 from Chris Hodgson.

Bracebridge began a comeback at 9:46, however, with a power play goal, and

they followed it up with goals at 11:41, 15:53 and 18:30 to lead by two.

Yake's second goal, at 19:06 narrowed the gap to one, and it remained that way going into the second. Assisting on Yake's goal were Nicholls and Apbs.

Bracebridge regained a two goal advantage at the 51

second mark, and the Huskies were stymied until 6:19, when Duff Mitchell netted one with help from Davies and Nicholls.

A penalty to the Bears allowed the Huskies to tie the score at five, as Yake netted his third with help from Mitchell and Nicholls.

Cont'd. page 14

Atoms take grand championship in Bancroft

Haliburton's OMHA Atoms travelled to Bancroft this past week-end and came away with the Grand Championship trophy. They accomplished it by winning the consolation championship which qualified them for the Grand Championship game. They went on to win the title in a hard fought contest with Madoc.

The local Atoms started out slowly against the team from Bancroft and came out on the short end of a 6-3 score.

Scoring for Haliburton were Darren Byers unassisted; Jeff Francis from Phil Johnston; and Jeff Francis again from Darren Byers.

However, in the second game against Barry's Bay,

the boys found their skating legs and completely dominated the game, winning 7-0. Jeff Francis, Phil Johnston and Kelly Youngdale each fired two goals while Greg Scheffee got a single marker.

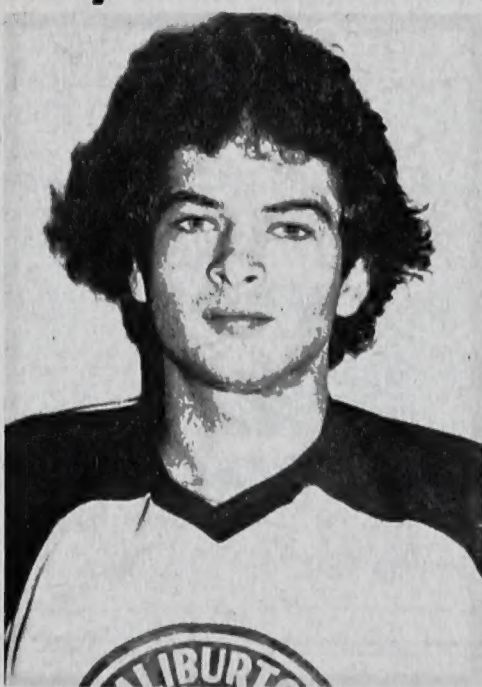

Darren Byers, John Vuksic, Kelly Youngdale, Greg Scheffee and Steven Prime picked up assists. Gavin McKnight registered the shut out for the locals.

In the Grand Champion-

ship game the boys met up with the high flying Madoc team who were undefeated in the tournament. But the local team proved equal to the task. They came out strongly

Happy Gang News By Watson Anderson

The chill factor of a north wind and a thermometer reading of minus 25 degrees C. made Monday the coldest yet, and yet the customary walk was not the chilly ordeal that one would expect. The problem of the ice cleats has been overcome and they can be worn in comfort. Providing they are made of stainless steel they show very little wear after a winter daily use and can be worn with impunity on any floor without leaving a mark, yet will dig into ice enough. Care should be taken on glare ice.

Monday afternoon the Happy Gang entertained the 'Arc Industries Limited' at carpet bowling. It was a good game but not one of us on either side could get throws to score, making all the games we played scoreless. Everybody enjoyed themselves, especially the snacks and tea and fruit juices.

Melissa Stevens made her 1982 start on cajoling the Happy Gang choir into activity again, assisted by pianist Jan Shipley. Besides training, this choir needs much more gusto so that in

practice they can be heard in remotest extendicare. It is remarkable the progress they have made to date.

A new game of cards was introduced to the Gang Tuesday morning. A deck of cards is dealt to from 10 to 20 players all sitting at a table. The dealer, not being seated, tries to make a straight flush in his or her favourite suit by calling to the players one at a time a particular needed card. The player whose hand is emptied first wins.

For a time it was thought that this would displace bingo in the afternoon but it didn't. Helen Archer and Betty Wise were the volunteers and the work they do is more strenuous than it looks because they more or less play the hands of maybe eight players and it is remarkable how skilled they become. Ray Smith called and play continued until all prizes were won.

Fire drill is now getting more emphasis by authority to ensure that if fire threatens us we know what to do as well as the staff. For us in the main it is simple: 'Do what we are

told until the all clear sounds.'

Over the holiday we learned more about nut-hatches and disgusted were we that even the name did not register in our memory but they are one of Canada's quite attractive winter birds. They are reasonably common and can often be seen near a feeder, sprightly walking down the bole of a tree as unconcerned as you please and in summer looking for grubs like a woodpecker. You could call a lad with his lass a pair of nut-hatches and be paying them a compliment.

We learned more about Locarno-on-the-Lake this week by being there. Catherine and Bob Wilkinson, volunteer drivers, transported Flossie Burk, and Hazel Parish; Doug Sealy took Alice Hartle; Peggy Henderson and Watson Anderson; Pat and Harry Woolley took Jack Pollard and Ivy Shaw took John Sissons, Harold Austin, Ron Pearson and Shirley Frost. The dinner was sumptuous with a preliminary salad, then southern fried

Cont'd. page 12

January is blue for preschoolers Parents should learn to invent imaginative games for bored children

by Catherine Miller
infant development
consultant

"newness" of your child's toys by rotating them, periodically. Instead of surrounding him with a dozen toys select a few for each playtime and keep the rest stored away. This lets your child re-discover the toy each time it re-appears and prevents the toys from becoming too familiar by just lying around the playroom. It also helps ensure that your child has a chance to practice the skills involved in many activities rather than just a favourite few.

Make a town from an old cotton sheet! Tack the sheet to the floor, table top or piece of plywood. Draw on roads, parks, ponds, etc. with a magic marker. Find small boxes or blocks to use as houses, lego people, animals, and little cars. Be creative. Cut out pictures from magazines and glue them on to the sheet. Adjust the amount of detail to the children's age level. Although half the fun is making the town, this activity is guaranteed to entertain for hours as the children dramatize trips to the supermarket.

zoo, whatever is available in "your town".

Put a chunk of hard snow in a basin. Let the children chip away at it to make a sculpture (using popsicle sticks or similar harmless tools). Once the novelty of sculpting has passed, the activity can become a science experiment. Talking about where the water came from and what happened to the snow should keep your preschooler fascinated. He'll be especially proud of being able to say big words like "temperature".

Make a story-book about your child's Christmas experience. Place photographs (in some logical order) in a

photo album or hang them along a piece of string with clothes pins. Have the child identify the people in each picture (eg. mum, dad, grandma, grandpa, baby, etc.) and talk about what is going on in each situation. Older preschoolers might be able to follow the sequence of activities re-created in the photos and make a story out of it. If mum writes down the child's sentences or comments about each photo, you'll have written a book together!

Have a smogasbord lunch! It's a great way to introduce toddlers and preschoolers to different foods. Take an old

egg carton and put a small portion of several different foods in each of the compartments (try things with different textures, as well as different tastes - a piece of broccoli, a dab of peanut butter, a slice of lemon, a cracker). Of course, you can adjust the number of samples by cutting down the carton. Talk about the textures, the tastes, the temperature of the various foods. Make a list of foods the child has tried and liked! It comes in handy later when "I don't like that" becomes a favourite excuse for not eating!

Next Week: More on indoor activities for toddlers and preschoolers.

Home Support fills vital county role

by Susan Clements

The development of Haliburton County Home Support Services (HCHSS) is a story which reflects a high quality of community work undertaken by volunteers.

In 1979, an ad hoc committee led by Doris McCann of Kennesis Lake, laid the ground work for this organization. Their goals were to enable elderly and handicapped persons to remain independent in their own homes for as long as possible, and to create an awareness of the process of aging and the needs of the aged. To ascertain the needs, the committee

distributed a questionnaire to all seniors in the county.

After one year of work, a directorate, programmes and functioning office were established. Included in the HCHSS's range of services is a programme called Meals on Wheels. Under this programme, a well-balanced meal is delivered to the client by a volunteer driver and helper. The client is defined as an elderly or handicapped person who is unable to prepare an adequate meal for himself/herself, or who has no one to assist in meal preparation. The client may have inadequate cooking facilities, and have health and social problems. A doctor's

approval for eligibility to this programme is not required. The Meals on Wheels programme is administered by convenors located in Haliburton, Minden, Carnarvon and Lochlin. In the Gooderham area, two volunteers visit the home of a client and cook a meal twice a week. HCHSS is grateful to Red Cross Hospital in Haliburton, Mr. Fogg's in Carnarvon, Hyland Crest Senior Citizen's Home in Minden, Bessie Burk in Lochlin, and Olive Bailey and Mary Hadley in Gooderham, for providing the meals.

The cost is two dollars to the client. If a demand for Meals on Wheels is demonstrated in

any other area in the county, other restaurants and volunteers have expressed a willingness to provide the service.

"Wheels to Meals" is another programme offered by HCHSS. Volunteer drivers take seniors needing to socialize with friends and neighbours to a restaurant or lodge for a meal. Locarno-on-the-Lake, Wagon Wheel, Bernie's Place and Sunny Rock Lodge are the hosts.

Other services provided by the organization are: friendly visiting, phone-a-friend,

transportation (doctor visits, banking, shopping, etc.), assistance in completing income tax returns, information and referral to all citizens in the county, and provision of vials of life.

There are eight Senior Volunteers in Service. They can be found in each of the main areas of the county. Each volunteer in this category performs a multitude of tasks, ranging from administrative work to direct provision of service.

HCHSS receives 50 percent

Cont'd. page 14

Senior League

by Bert Harrison

There was no service in the chapel Sunday night. Rev. Burgess was snowed in. The last few days the weather has been quite grim.

Monday morning was fun and fitness down in the gym, where they make you exercise to keep you fit and trim.

Monday afternoon in the craft room there was sewing, stitching, knitting. Others say if they have to work so hard, they'll be up and quitting.

We watched two movies Monday night - "Five thousand brains", and "Hot dog skiing." They were movies that were well worth seeing.

A word about our nurses: no finer in the land; always more than willing to lend a helping hand.

Tuesday morning, Mr. Wicks of Minden Gospel Church held a very interesting service here. He took

his text from the twenty-third Psalm. We thank him for coming that bitter cold morning.

Tuesday night, Deacon and Payne came to entertain and cheer us up a bit, for some nights all there is to do, is sit and sit, and sit. They played and sang some old time songs, that took us back to days of yore. No matter how much they sing, and play, we always yell for more. We look forward to this special time when musicians come to entertain us, and never charge a dime. Thanks Payne and Deacon for entertaining us so well. If you come again next month, it really will be swell.

Wednesday the ladies were working away again in the Craft room - always working. I just don't know what they are doing, but their work they are not shirking.

Every Thursday afternoon, a group of ladies from county or town, put on a tea party for us and never let us down. This week, it was the Minden ladies of the Kinette club. Not only did they serve a cup of tea but some real good grub. Would like to thank all these ladies for being so kind to us. They all seem to do it without a bit of fuss.

It is Sing-song time again on Friday afternoon. Mrs. Cobourn and Norma came to play and sing merry tunes. Thank you both for coming to entertain us once again. I would still like to see a few more men join us.

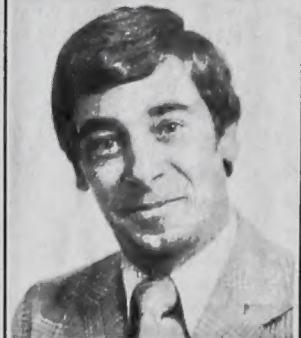

"The Power of Littles" Great events we often find, On little things depend; And very small beginnings, Have oft a mighty end. Until next week.

DISTRICT NEWS

Wilberforce News

by J.M. Barker

Chalk up another week of longjohn (or thermal pantyhose, as the case may be) weather. Could almost call it the Great White North, eh? More boosted cars, batteries taken indoors for the night, even a frozen rad or two. At least we haven't suffered the flooding, immense snowfalls and earthquakes experienced in some places. Not to mention transit strikes. Actually a bit more snow would be welcome, as we're always glad to see the ski doers and skiers it brings rolling our way.

Just south of town on Hwy. 648, are snow-supporters Bill and Jean Thomas. Their Wilberforce Ski Resort now offers nine miles of groomed cross-country trails, as well as three downhill slopes serviced by a rope tow. With everyone keeping an eye on the gas gauge these days it's

good to have such diversified facilities so close at hand. Tow fees are \$6, and downhill rentals \$8. Cross-country trails are \$2 with rentals supplied by Gold Star Sporting Goods, being \$10. The hours are 10 till 5 daily, and the view from the top is an added plus.

Under good and bad news department: the Craft Class at the Library had to be cancelled last Friday. The good news is that it will take place this Friday, January 22 at 7:00 p.m. Bird-feeder construction is the subject, with other surprises guaranteed to make it a fun night.

A reminder that the Karwartha Health Unit is holding a Foot Clinic on Thursday, January 21, at the L.W.C.C. Anyone wanting to arrange an appointment is asked to

contact Vicki Agnew at 448-2993.

Vicki is now coordinator for Monmouth area, of the Haliburton County Home Support Services. This organization was started two years ago, and offers various services to aid the elderly and shut-in members of our community. These involve home visits and daily phone calls, help with income tax filing, Meals-on-Wheels, and rides to the doctor and grocery store. Another excellent provision are the 'Vials of Life'. These are personal medical records in containers that are kept in the refrigerator. In case of an emergency trip to hospital, the information is compact and immediately available. The backbone of the program is voluntary help, and anyone wishing to become involved, or requiring further detail on any of the services for their benefit can call Vicki.

TheTory Hill school will be the scene of some upcoming classes that will be of interest to those aspiring creative folks among us. The Haliburton Guild of Fine Arts is sponsoring three sets of educational evenings. Marianne Tighe will be teaching Creative Stitchery on February 4, 11 and 18 from 7:30 to 9:30 p.m. On February 25, March 4, and March 11, Flo Oram will pass on her abilities on Cake Decorating, at the same times. Both these courses will cost \$15 on February 19, from 7 till 10 p.m., John Edmonds will demonstrate Wok Cooking and Sprouting, and the fee for this evening will be \$12. It's recommended that you register by calling the Guild at 457-1680, weekdays from 9 till 5. You sometimes hear city dwellers ask what in the

Cont'd. page 11

Chatting with Irene

by Irene Moore

I was talking to a weather man the other day, and asked him if he could predict what the weather would be like for February and March. The answer I got was 'the same as January.' I looked at him and said "you must have been reading the Almanac." Did he ever laugh.

If you have any news you wish put in the paper, call any time Sunday or Monday morning before 11 a.m. The number is 286-1674.

Don't forget that this Thursday, January 21 is registration night for the second term of the Minden Nursery Play School at the St. Paul's Parish Hall at 8 p.m. Phone 286-1267 or 286-2602 for information as after January 21, no registrations will be accepted.

Movies will be shown at the Library/Culture Centre Common room this Friday for any children wishing to attend. These movies are free

and will be shown from 7:30 p.m. to 8:30 p.m.

Monday afternoon January 25, from 2 p.m. to 3 p.m., movies will be shown for all adults wishing to attend.

When we start to count flowers, we cease to count weeds; When we start to count blessings, we cease to count needs; When we start to count laughter, we cease to count tears; When we count happy memories, we cease to count years.

The Living Water Dropin Centre is 'now open, and doing very well. There is music every Friday evening, at 7:30 p.m. and every other Saturday evening as well. On January 22, Bud and Carol English of Haliburton will provide the music. The music for January 29 and 30 will be advertised in the window of the Centre. Feel free to drop

in any Wednesday or Friday for coffee, from 1 to 3 p.m. as volunteers will be there to help in any way.

If you add one teaspoon of vinegar or lemon to the water of boiling potatoes they will be more meaty for mashing.

Many friends of Jim and Cathy Bushell will be pleased to know that the family are moving to a new charge and will be living in Aurora. Cathy and the family are now in their new home and Jim goes on February 15. Their new address is 8 Dunning Ave.

There will be a craft display and sale at St. Paul's Parish Hall on January 30, from 11 a.m. to 3 p.m.

Minden Nursery Play School welcome the public at their skating parties on January 21 and January 28 at the arena. These skating parties cost 75 cents and are from 2 p.m. to 3 p.m.

Did you remember to start collecting for the Kin Flea

Market in May? If you need information call 286-1584 or 754-2270.

Orange butter whitefish fillets; 2 lb. whitefish frozen fillets; 2 tbsp. orange juice; 2 tsp. grated orange rind; 3 tbsp. butter, melted; 1 tsp. salt (scant); dash of pepper; dash of nutmeg. Thaw frozen cutting. Cut fillets into serving size portions. Measure fillets at thickest part. Place in a greased baking dish. Combine remaining ingredients and pour evenly over fish. Bake at 450 degrees allowing 20 minutes per inch thickness for the frozen fish or until flesh flakes easily.

Minden Figure Skating Club are once again serving their famous Pancake Breakfast at the arena auditorium for the Winter Carnival, starting at 9 a.m. Real Maple Syrup, pancakes and sausages will be served. Come and enjoy a hot meal before

Cont'd. page 11

Carnarvon News

Mr. and Mrs. Les Dennison of Toronto visited with relatives over the week-end.

Mr. and Mrs. Fred Chaple of the Four Seasons are in Toronto where Fred is hospitalized while undergoing some tests. There is no further news as to results at this time.

Gary Archer and some friends from London, Ontario were at their cottage at the Mattabank for some week-end fishing.

Don't forget the Winter Carnival Dinner at Carnarvon Church on January 30 and bring your week-end guests, they will really enjoy it.

Mr. and Mrs. Bill O'Reilly spent Wednesday in Huntsville visiting with the Phil O'Reillys.

Mr. and Mrs. Alvin Johnson have left for South America where they will spend two months assisting with a missionary church in Ecuador, this is the second

time that Ruby and Alvin have undertaken this worthwhile endeavor and we wish them well.

We are very sorry to learn of the fire that destroyed the home of the Norman Barry's and if any of our readers can help out in any way with clothing or household goods they will be much appreciated. Norm started a garbage pickup business a few years ago which has been a great service and since the start Norm has never missed a single pickup no matter what the weather, so rally round folks.

Politicians are like mushrooms, but the time you find out if they are the real thing, it's too late.

Mrs. Martin Davis of Toronto is spending a week with the Stan Archers.

Mrs. Betty Samorjoff of Toronto was a week-end guest with Mrs. Velda Harrison.

The Russell Walkers have moved into the home formally owned by Alex Hewitt.

I had a letter from Dorothy Barker (formerly Thomson) who now resides in San Diego. Dorothy, who had an unfortunate accident last year, seems to be getting around now and sends best wishes to former friends and neighbors.

Mrs. Velda Harrison returned to Toronto with her cousin for a few days.

Kinmount Korner

by Millie Moss

January seems to be the month for birthdays and the following are just a few I've heard of. Happy birthday to Jason Scott, January 4; Jason Lonsdale, January 6; Lorrie Moss and Phyllis McGrath who celebrated her eighty-sixth on January 9; Harry Card, January 10 and Mr. Card is now 84 years young. Then, on January 17, Kelly Lonsdale and Katrina Hartin; Gwen Martin and Pearl Bradmore on January 23; Aaron Perry and Mary L. Pyke who celebrates her eighty-sixth on January 24; Leon Hartin on January 31. To any of you not listed above, happy birthday also.

Eileen Shepstone and Ken Gardiner were the partners who were tops at the Saturday afternoon dart games in the Kinmount Legion Hall, January 9.

There were six tables of euchre players at St. James Hall, Tuesday, January 12 and results were: men's high: Win Wilson, men's low: Jean Hollobon, ladies' high: Verlie Young, ladies' low: Mary Phillips and most lone hands: Win Wilson.

Don't forget the annual meeting of the Kinmount and District Horticultural Society which will include our famous pot luck dinner and penny table, to be held at the Kinmount Legion Hall, Thursday, January 28 at 6 p.m. Please be sure to bring your own dishes and utensils for the dinner and any dona-

tions to the penny table will be gratefully acknowledged by Norma Hamilton, Mary Hartin Sr. or any other member of the Society. Everyone is welcome and we hope to see you there.

Some very proud grandparents around our town are Betty and John Lonsdale of R.R.1, Kinmount. Their two grandsons, Jason, now 11, and Kelly 10 years of age, live with their parents in Eng-

land. Jason was recently recommended by his school to go to the London Oratory and he also has been named Captain of the school badminton team. Kelly is also doing as well in his grades, as his brother but prefers his activities away from school and has begun a class in Karate.

A dream come true. A trip to Sweden for the Flying Dutchman major Bantam ho-

key team from Bowmanville. Greg Watson, son of Mr. and Mrs. Philip Watson of Oshawa and grandson to Olive and Herb Wilson and Clara and Ambrose Watson, all of Kinmount, was one of the 18 Bowmanville area boys to go. It was calculated in the beginning that nearly \$1000 for each boy would be required to cover flight costs and other related trip expenses. Once

Cont'd. page 14

Gooderham News

The Gooderham Stump Jumpers' Rally will be held Saturday, February 13. A great day of fun for everyone will include a trail ride, dinner and a dance. This will take place at 1 p.m. and will continue to 1 a.m. All this will be held at the Glamorgan Community Centre.

Next year marks the tenth anniversary of the New Horizons program. In recognition of this occasion the National Health and Welfare Department is planning some special events to highlight the accomplishments of New Horizons groups. By focusing attention on the abilities of seniors the minister, the Hon. Monique Bégin, hopes to improve awareness among Canadians of the contributions seniors can make to our

society.

Sincere sympathy of the community is extended to Mr. and Mrs. Allan Gill and their family in the tragic death of their son, Gordon. Funeral services were held in the Pentecostal Church Thursday afternoon with Rev. Sauve officiating.

Television cameras were in place last June at the Rail's End Gallery while Gooderham school pupils were visiting there. During the Winter draw last Thursday, some of these pictures were shown with the school pupils in the background and one close-up shot of Wayne Barr with his kite. It was quite a surprise as no one knew they would be shown at that time.

Mrs. Charlotte Rosena instructs a class in yoga exer-

cises each Tuesday evening for ladies in the Community Centre.

Mrs. Marilyn Billings spent last weekend with her mother Mrs. Barr, in Lindsay.

Mrs. Grace Billings received news of the death of her cousin, George Mentz, who suffered a coronary at Dryden on his way home to Belleville after visiting his son in B.C.

Fire entirely destroyed the home of Karen and Eddy Hunter Sunday night. The building also contained the office of the Monmouth insurance agency, operated by Eddy, and the Hairloom beauty salon, operated by Karen. Apart from a few business files, nothing was saved. Cause of the fire is as yet unknown.

Wilberforce News

from page 10

world we find to do in this area to keep from being bored; funny, but it always seems it's the shortage of hours in the day that's the problem, not the activities to fill them.

Just ask the 1st Wilberforce Co. of Pathfinders and Girl Guides. They were invited by the Haliburton Co. to attend winter camp this past week-end at Camp Adelaide. Forty-two girls spent the days snowshoeing, skiing and gathering 'round the campfire. The Wilberforce group joined in an invitational service for three Haliburton girls into Pathfinders, amidst candles and frolicking smurfs. Leaders Donna Burroughs and

Mary Barker report it was an enjoyable time, even if certain girls were awake 'till 6 a.m. Too bad littlest smurf Behn can't appreciate having been the only male among all those doting females!

The phones stopped ringing, the figures were totalled off, and another Week-end With The Stars Telethon was over. Overall pledges into the Wilberforce area were disappointingly down from last year: \$1654.50 compared to 1981's \$2459.30. Roberta Walsh, to whom hearty congratulations are in order for her organization and smooth running of the local part of the telethon, would like to sincerely thank all those who did 'reach out' with generous

pledges. The individual amounts didn't denote the generosity, rather the act of giving what you could. For some, that was time given to handle the phones. Special mention must be made of those members of the South Algonquin Kinsmen who forewent their beauty sleep to take on the midnight shift till 6 a.m. Agnew's Red and White kept us alert with their donation of coffee, and Linkert's Bakery conquered the munchies with their delicious doughnuts. To all of the above, and anyone else who helped in any way, Roberta and the O.F.C.P. say thank you.

The Inter-City Tire hockey team finished off their regu-

lar games in disappointing fashion on the week-end. They lost their lead Friday night resulting in a 10 to 8 defeat by Madawaska Mines. They also lost a dependable player, Randy Barras, who's off the ice for the time being, due to a leg injury. Nothing seemed to go right for them Saturday night, and the Bird's Creek Bandits came off with a 2-1 win. Eric Barnes picked up the single goal. In the last part of the third period they seemed to begin to get it together, but it just didn't basically look like a team game out there. The playoffs begin this week-end coming up, please check the postings for times and dates. We'll be there, guys - give us something to come support!

Chatting with Irene

from page 10

going to watch the outside events.

Our great democracies still tend to think that a stupid man is more likely to be honest than a clever man, and our politicians take advantage of this prejudice by pretending to be even more stupid than nature made them.

Winners at last week's mini card party were: cribbage: Lil Porter, Ethel Leigh. Euchre: lone hands: Betty Harper; Gladys Wruth, Nancy Moore.

Minden Figure Skating Club have set the date of March 14 for their carnival.

Isn't it strange the view we see. When gazing back in memory? Time touches up the faded scene. Blots out the ugly and the mean... Paints it all bright: fun and laughter; Never a hint of that morning after.

Adios and take care now; don't freeze up.

Happy Gang News

from page 8

chicken, rice as vegetable and delicious hot buns. Dessert was a gelatin with whipped cream topping. Both the tea and coffee were excellent while a beautiful haze hovered over Kashagawigamog, a scene one misses by going south. We thank those good people who were generous in taking us to and fro.

Interest rates are probably of greater interest to residents of extendicare. None of them here are funded by their own wages so it must be from interest received on their life savings or perhaps a better word would be the wages of money. As boys and girls a few years ago, 5 per cent was the common yield on money, but now they are abusive if asked to pay over 15 per cent for the use of someone's life savings, increased all of those years by the factor of three. Yet today wages for labor have increased by more than the factor of 10. The banks are getting the blame but they are simply doing the job of managing the life security of the elderly, the widows, the orphans and the pensioners. For doing that they get wages the same as say a carpenter. The blame probably are the credit cards that permitted anyone to spend money they didn't have. Now it is catching up.

Thursday afternoon many of our ladies settled down to make a batch of crisp corn flakes cookies just to fill our cookie jar. Kathy Cary helped.

Rev. Stan Rukin of the Full Gospel Lighthouse in Haliburton led us in Friday morning devotional period, his wife Geraldine played the piano, and a guest divinity student, Rod Brownie, read to us from the book of Samuel 1 verses 15 to 18. In those days politics was a pretty risky business for David to engage in. Succeeding in politics brought the wrath of King Saul on David who had

to flee and use other devious means to avoid being killed by Saul's continued trickery. It was a nice meeting and of course some of those cookies from the cookie jar along with a cup of tea were served by none other than Pastor Rukin.

In the afternoon were three movies, Ray Smith projectionist.

Two baby girls arrived in Haliburton who are of interest to us and to the Ministerial Association: one to Pastor Rick Brewster and his wife Debbie, to be called Angela and the other to Lieut. Sydney Buell and his wife Beverly.

Atoms win top prize

from page 7

in the first period and quickly jumped into a 2-0 lead. Jeff Francis scored the first goal, assisted by Steve Prime and Greg Scheffee; Steve Prime scored the second goal assisted by Greg Scheffee and Jeff Francis.

Early in the second period the Madoc team started to press and came up with a goal to narrow the score to 2-1 by the end of the period.

The third period was an exciting one with Madoc after the tying marker and but for several fine saves by goal tender Gavin McKnight, they might have had the equalizer. With just 2:30 left in the third period Shaun Perrin took a pass from Jason Smith in his own end and skated the length of the ice to fire a high shot past the Madoc goaltender for the insurance goal. Phil Johnston scored into the empty net after Madoc had pulled their goal tender in favour of a sixth attacker to make the final score 4-1.

The outstanding player trophy in the game went to Haliburton goaltender Gavin McKnight and the third star of the game went to high scoring Haliburton winger Jeff Francis.

The boys are playing their best hockey of the season and should be in fine form for the local Atom tournament this coming week-end. Haliburton play their first tournament game on Friday at 4:30 against Uxbridge.

Midgets leading

from page 7

completed the hat trick with help from Mitchell.

Each team was called for 14 minor infractions.

Final score was Haliburton 7, Woodville 3.

27. THANK YOU

FRAYNE - We would like to express a deep appreciation to our relatives and friends for their floral tributes, donations to societies, cards, kindness, and support during a very sad time in our lives, the loss of a dearly loved wife, mother, grandmother, and great grandmother, Gladys (Dack) Frayne. Cecil, daughter Joan and family. 27-P-20

The family of the late Edward, "Ted", Carpenter wish to express their gratitude for the kindness shown in prayers, visits, food, flowers, cards and charitable donations during our recent bereavement.
Special thanks to the Minden Ambulance drivers, Haliburton County Roads Dept., Haliburton Gospel Church ladies, Rev. Rick Brewster, Rev. John James and Rev. Stan Rukin for their comforting words, and Gord Monk for his kindness and understanding.
Doug, Wanda, Ivan Fern, Albert and families. 27-P-20

28. BIRTHS

KENNEDY - Erin Anne is tickled pink to finally announce the birth of her baby sister, **Meghan Chevonne**, born Wednesday, December 30, 1981, at 1:03 p.m. weighing 8 lb., 7 oz. Something tells me Mom and Dad are pretty pleased too. Proud grandparents include Mr. and Mrs. Wm. Emmerson and Mr. and Mrs. Harold Kennedy. Special thanks to Dr. Heyes, Dr. Froats, and the nursing staff at Peterborough Civic Hospital. Also special thanks to all our friends and relatives for their prayers, best wishes and lovely cards.
Pat and Cheryl 28-B-20

31. DEATH NOTICES

AT REST
Suddenly at Haliburton on Sunday, January 17, 1982

MICHAEL SCHLOSSER
In his 71st year.

Beloved husband of Florence Schlosser; dear father of Jim of Minden; loving grandfather of Donald and Leanne; also survived by several brothers and sisters.

Funeral Service
Rested at the Gordon A. Monk Funeral Home, Minden, after 2:00 p.m. Tuesday, for complete funeral service and committal in the Chapel on Wednesday, January 20, at 1:30 p.m. Cremation. 31-CA-20

32. IN MEMORIAM

NEWELL - In loving memory of our dear mother and grandmother, **Victoria Newell**, who passed away January 13, 1973.

Those we love - we never lose,
For always they will be
Loved, remembered, treasured,
In our memory.

Lovingly remembered by
Mike, Yvonne, Kevin,
Cherylin and Glenda. 32-P-20

HARRY BARNUM - In loving memory of a dear father and grandfather who passed away on January 19, 1981.

There is a link death cannot sever,
Love and remembrance
last forever.

Sadly missed by daughter Naomi, son-in-law Jim and grandson Jeff. 32-P-20

HARRY BARNUM - In loving memory of a dear husband who passed away January 19, 1981.

I remember the day I met you,
And the day God made you mine.
I remember the day I lost you,
And will till the end of time.
Among the tears and heartaches,
There's one thing that makes me glad,
That you chose me to spend with you,
The happy years we've had.

Sadly missed and lovingly remembered by wife Eloise. 32-P-20

Kinmount Korner

from page 11

permission for the trip was received from the Bowmanville Minor Hockey Assoc. fund raising began in earnest and events included car raffle, paper drives, car washes, yard sales, pancake breakfast, bake and craft sales and one man donated a wood lot near Orono stating the boys could take whatever they earned after cutting, splitting and selling the wood and some of the boys developed muscles at that job! They left Toronto International on December 26 by way of New York to Stockholm, Sweden where they played several Swedish teams, a Toronto team and a Minnesota team, winning 7 games and losing 2. In addition to these games other special events were touring a large mining equipment company, a two day deep sea fishing trip, a tour of a magazine factory, a New Years Eve party, a trip to the Highlands of Scotland and a day in Copenhagen on their way home. Parents and team members accompanied the boys, some 45 in all. They played hockey on outside

rinks with artificial ice at 20 degrees below zero. They had about four feet of snow in Stockholm, the most in 14 years. The boys were presented with many gifts for themselves and their parents. They arrived at Malton Saturday, January 9 at 9:30 p.m. The snowstorm in New York delayed the bus traveling from Kennedy Airport to the LaGuardia Airport and as a result missed one plane having to wait for the later one. They arrived in Oshawa and Bowmanville around midnight, tired but having enjoyed the two weeks and having a great deal of praise for the Swedish people who cared for them and helped plan the trip, also to their coach, Brian Purdy of Bowmanville and his assistant, Ralph Cryderman who is manager of the team. Hugh Neill and the many others who helped raise funds to make this dream a reality.

I was sorry to hear Irene McNamara, Mr. and Mrs. Bowring, Mary Pyke to name but a few are not feeling the best these days. I hope you're all well soon.

Home Support Services

from page 8

of its funding from the province. The Municipality of Dysart et al has most generously donated office space and furniture. The balance of the financial resources comes from the federal government, Haliburton County Council and private donations.

The organization is in the capable hands of Chairman, Doris McCann. The directorate consists of fifteen volunteers. The office is located on the second floor of the municipal building in Haliburton, and is open from 10:00 a.m. to 2:30 p.m.

If you require any of the described services, or wish to volunteer your time, please contact Marie Wallace, Coordinator, or Nancy Picard, secretary, at 705-457-2941.

INCOME TAX CLINIC, free information, Friday, February 12, 9:30 a.m.

Ruby Schell and Nora Crego enjoyed dinner at the home of Aileen and George Brown one evening last week.

A Valentines Dance will be held at the Galway Hall, February 13 from 8:30 p.m. to 1 a.m. hosted by the Firemen. There will be refreshments and a charge of \$4 each. Come out and enjoy your friends!

Results of the Wednesday nighters euchre party at Galway were: ladies high; Alma Harper, ladies low; Pauline Franzen, mens' high; Ken Young, mens' low; Frank Franzen and lone hands; Brenda Longhurst. If you perchance are interested in adopting a cute, black, female, part Lab. pup 6 to 8 weeks old, call 454-8136. There is no charge for the pups and they have been trained so far to live outdoors.

This week I'll not give you a recipe, but rather the following item which was written by a third grader and is entitled: Grandmother? A grandmother is a lady who has no children of her own, she likes other peoples little girls. A grandfather is a man's grandmother. He goes for walks with the boys and they talk about fishing and tractors and like that. Grandmas don't have to do anything except be there. They're old, so they shouldn't play hard or run. It is enough if they drive us to the market where the pretend horse is, and have lots of dimes ready. Or, if they take us for walks, they should slow down past things like leaves or caterpillars. They should never say "hurry up". Usua-

lly they are fat, but not too fat to tie your shoes. They wear glasses and funny underwear. They can take their teeth and gums off. It is better if they don't typewrite or play cards except with us. They don't have to be smart, only answer questions like, why do dogs hate cats and how come God isn't married. They don't talk baby talk like visitors do because it is hard to understand. When they read to us, they don't skip or mind if it is the same story again. Everybody should try to have one, especially if you don't have television, because grandmas are the only grown ups who have got time.

Ken and Joan Hyams spent a few days in Toronto last week as did Father Brooks. All are home now.

I hope you haven't been one of the unlucky ones with cars that wouldn't start or pipes that froze or like us with an electric furnace that died last Wednesday night and even as I write this on Friday afternoon, still waiting for the new motor that is supposed to do its thing. I guess all we can do is leaf through our seed catalogues and dream!

Mr. and Mrs. R. Vaughan and Mrs. A. Noble of Scarborough were guests of Mr. and Mrs. G. Taylor of Norland last weekend. Kay Allen of Lindsay and formerly of Kinmount has been a guest of Gord and Lil Taylor, for a few days.

Ken Gardiner was the lucky winner of \$28.50 in the Kinmount Legion 50/50 draw.

Have a good day. 448-2399.

Huskies win, lose

from page 7

At 12:12, Bracebridge again took over the lead, but it was shortlived, Yake continued his scoring streak with help from Nicholls tying the score with a goal at 13:41.

The goal sparked the Huskies, and they surged ahead to net three more, one from Nicholls, at 15:29, assisted by Davies and Yake, and two from Chapman, the first at 17:48 assisted by Jim Lee and the second unassisted at 18:36.

Now leading 9-6, the Huskies appeared to be running away with the game, but the Bears were not about to be counted out.

At 4:48, with Hodgson off for a double minor, the Bears moved to within two.

The Huskies regained their three goal lead at the six minute mark, as Ron Yake got number five, assisted by Davies and Nicholls, and at

11:59, Mitchell teamed up with Hodgson to give the Huskies what should have been a comfortable 11-7 lead.

But in the final minutes of the game the Bears staged a rally that had fans on the edge of their seats and the Huskies scrambling to hold on.

The rally began with a goal at 17:31, and was bolstered at 18:15 while Ed Roberts was sitting out an elbowing infraction. The Bears kept the pressure on, and at 19:27, with the Huskies still a man short, the visitors moved to within a single goal.

But time ran out on the Bears and the Huskies hung on to win 11-10.

Craig Wood was again an important factor in the game, as he handled 34 shots to 20 for the Bracebridge netminder.
